

September 2015

This week

After a successful summer, we have almost completely sold out in Phase 1A and 1B. There are a couple of plots left which will be ready for occupation in the next month.

So what is coming up?

We have just launched our Navigation Point Facebook page. This will include the latest information on our progress. The Facebook page also contains links to our aerial film of the site and the surrounding area which is worth watching. So please search for Navigation Point in Facebook and Like our page.

The Astley and Wharfe overlooking the Oxbow

We will be launching on Saturday 12th September the first properties overlooking the Oxbow close to the River. This will include our three bed Ribbles which could be fitted out as a large two bed house and a selection of four bed houses. These properties are now available to view on our web page.

Later in the month we will also be launching our community facebook page. This will be only available to existing residents and will provide a forum for car sharing, parcel collection, borrowing tea/coffee etc.

Help to Buy is available at this development.
