

Dec 2014

Update

What a year. We have experienced unprecedented interest from buyers all over Yorkshire. We have now completed three streets and will start completing properties in Phase 1B from mid January.

We are upgrading our Eshton Showhouse and this will be available for viewing from mid January 2015. Please speak to our sales team for more information on this. There is still one Eshton available which will be completed in April 2015. Thereafter the next Eshton will be ready for occupation in Nov 2015.

We now have a four bed Buckden showhouse (plot 13) available to view and purchase from the start of the New Year.

This stunning showhouse includes a Designer kitchen with fully fitted fridge freezer, integrated oven and microwave, dishwasher and waste disposal unit.

In addition this house has chrome plug and light switches throughout, fitted carpets, an alarm and a lighting package. The house includes an external garage and car parking inside a gated courtyard. All this for only £182,500.

With Help to Buy the monthly mortgage costs are likely to be less than you think. Our sales team can recommend a financial advisor who can advice accordingly.

Buckden Designer Kitchen

Work has already started on Phase 1C which is the start of the Riverside Phase. We hope to start piling these plots in March 2015.

We have also submitted planning to construct the access road linking Savile Road to Phase 1. This will substantially improve the quality of the access to the town centre and bus station. The houses in this area will comprise of Bowmonts, Weavers, Ribbles, Newlands and Malhams. We hope to commence work on this in April 2015.

Early Warning!! We are planning to launch Phase 1C which includes Weavers, Bowmonts, Detached Langdons, Newlands, Eshtons and Wharfes during Feb 2015. Further information will be posted on this web page.

For more information please contact our sales team, Julie or Sue at sales@greenhavenhomes.co.uk or 01977 731802 or 07715 084 064
