

October 2012

Greenhaven Homes are delighted to announce the commencement of the first phase of this riverside scheme close to the centre of Castleford.

The scheme will include:

- 900m of river frontage
- Civic Square
- Play Areas
- Eco Park
- Fishing Rights on River Aire
- Community Shop
- Riverside Bar/Restaurant
- Boat Moorings
- Walking distance to town centre

Navigation Point will be unlike any other scheme in Castleford. For the first time, the full glory of the Rivers Aire and Calder will be opened up for residents to enjoy. The banks of these 50m wide rivers are peaceful and unspoilt providing an ideal place to relax.

Residents will also be able to enjoy the benefits of living close to the town centre whilst having the open countryside on their doorstep. Castleford is currently enjoying a rejuvenation as buyers recognise the town's accessibility, its affordability, open space and quality of local amenities.

Within 10 mins, a resident will have access to open countryside including Fairburn Ings SSSI, Xscape, Cinemas, Junction 32 Retail Park, Diggerland, a recently extended ASDA and a new College.

Within 30 mins, residents can enjoy the benefits of Leeds City Centre, Hepworth Gallery in Wakefield, Harewood House and other fantastic amenities.

Initially Greenhaven Homes will be building 2, 3 and 4 bed houses with the first houses being completed in Summer 2013.

We anticipate launching the scheme in Spring 2013. Over the coming months Greenhaven Homes will provide regular updates on the scheme's progress including details of the launch dates, housetypes, layouts, specifications, finance options, 10 year LABC warranty etc
