Phase 3 Launching

After a successful year, we have completely sold out in Phase 1A and 1B but still have a few properties available in Phase 1C.

Phase 3

Due to overwhelming demand, we have therefore started Phase 3 which is between Cinder Lane and Savile Road. This part of the site is closest to the town centre but also close the riverside walks.

We are aiming to complete the first properties within Phase 3 in February 2016.

Phase 3 has a selection of two and three bed houses, some with garages. In addition, we have included some new four bed 2 storey houses.

For those that like Phase 1, we are also hoping to start Phase 1D in the next few months which will include some large four bed houses along the riverfront. These houses will have stunning views towards Allerton Bywater.

Phase 3.

If you require further information on any of the properties, please contact the sales team.
