NEW RETAIL SCHEME FOR CASTLEFORD

Lateral Properties has announced their intention to submit a planning application in the summer for approximately 500,000 sq ft of retail, a new stadium for the Castleford Tigers and a large eco park. The £135 million scheme will provide up to 2,000 new jobs and significant highway improvements to the existing motorway junction.

The site is at the junction 32 of the M62 and runs parallel with the motorway towards Ferrybridge.

In our opinion, the scheme offers a fantastic opportunity to retain retail spending in this area rather than seeing local shoppers go to the White Rose Centre, Meadowhall or even the Trafford Centre. The scheme will hopefully attract large retailers, which may include, Next, Primark, Sainsbury etc,

Navigation Point welcomes this retail development as we believe it will be hugely beneficial for the continuing regeneration of this area, as well as providing a much needed brand new stadium for the Castleford Tigers.
